A group from the Pacific Northwest College of the Arts (PNCA) MFA Program in Collaborative Design will visit downtown on Thursday August 22<sup>nd</sup> from 3:00pm-4:30pm for a walk-around to discuss a possible project in Milwaukie. The group will start at City Hall.

The students are also scheduled for a 30 minute discussion with Council at their study session that follows shortly after 5:00pm.

The idea is to start talking with PNCA now about a possible project next spring—so this is a very initial conversation. Council expressed interest in this when artMOB gave their update on June 18, 2013.
